

POST GRADUATE CERTIFICATE IN INTELLECTUAL PROPERTY LAW AND PRACTICE

Duration: 3-month full-time program

Start Date: June 17, 2010

(available at Delhi and Bangalore)

ABOUT US

Global Institute of Intellectual Property (GIIP), a training institute co-headquartered in New Delhi, India and San Jose, USA, has been set up by a team of successful entrepreneurs, IP Attorneys, patent agents and IP practitioners. GIIP offers diploma, executive and corporate programs to develop professional skills in the field of Intellectual Property services, particularly International Patents and Procedures and enable them to serve global customers.

OVERVIEW

Globalization, coupled with the intangible nature of Intellectual Property (IP) and the inconsistency of standard practices across the globe creates challenges for businesses that wish to protect their inventions, brands and business methods in domestic and foreign markets. India's growing R&D operations has taken a beating due to lack of in-house professionals to file patents & IPR applications, combined with lack of reach for exploiting global markets is proving difficult for some of the progressive businesses.

To address this need GIIP has put together highly specialized programs to be conducted by international and Indian IP Attorneys, Patent Agents & experts, to provide comprehensive knowledge in the business, technical and legal aspects of Intellectual Property Rights.

The 3-month full time post graduate certificate program, for legal and management professionals, focuses on providing a platform in IP and related service, making it a potential career opportunity. On completion of the course, participants can seek attractive IP-related jobs in Law Firms, Legal Process Outsourcing (LPO) companies, IP & Legal departments of Corporate, Government.

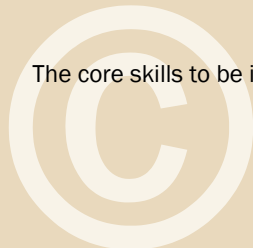

CURRICULUM

The PG curriculum is tailored to meet industry requirements as well as the needs of aspiring professionals. It includes up-to-date education in US, European and Indian IP laws and procedures and is designed and delivered by outstanding IP Attorneys and professionals with rich teaching, legal, industry and consulting experience.

GIIP has evolved a comprehensive form of transferring knowledge from overseas to India. It has state-of-the-art facilities, well supported by audio-visual aids and other training tools and processes. Some distinctive methods of training at GIIP include:

- Classroom lectures delivered through video conferencing by experienced instructors and IP Attorneys & practitioners
- Illustrations, case laws and case study methods: The emphasis of the program is to provide hands-on experience
- Interactive sessions with both instructors and peer group

The core skills to be imparted include the following:
