

**GLOBAL INSTITUTE OF INTELLECTUAL PROPERTY  
ANNOUNCES  
CERTIFICATE COURSE ON  
PATENT AGENT EXAM PREPARATION  
14th - 18th December 2009  
(10.00 AM to 5.00 PM)**

**ABOUT US**

**Global Institute of Intellectual Property (GIIP)**, a training institute co-headquartered in New Delhi, India and San Jose, USA, has been set up by a team of successful entrepreneurs, IP Attorneys, patent agents and IP practitioners. GIIP offers diploma, executive and corporate programs to develop calibre of participants and enable them to serve global customers in the field of Intellectual Property services, particularly International Patents and Procedures.

**OVERVIEW**

Globalization, coupled with the intangible nature of Intellectual Property (IP) and the inconsistency of standard practices across the globe creates challenges for businesses that wish to protect their inventions, brands and business methods in domestic and foreign markets. India's growing R&D operations has taken a beating due to lack of in-house professionals to file patents & combined with lack of reach for exploiting global markets is proving difficult for some of the progressive businesses.

To address this need GIIP has put together highly specialized programs to be conducted by international and Indian IP experts, to provide comprehensive knowledge in the business, technical and legal aspects of IP, international patents and procedures.

**OBJECTIVE**

This training program builds the knowledge base required to master the details of **Indian Patent law**. It covers all the principal topics relating to Indian Patent Act, Patent Rules and procedures and gives hands on experience regarding Filing Procedures, Fee structures, drafting claims and specifications for Patent Applications to be filed in India.

The **last two days of the program** will be dedicated to solving and discussing the **Patent Agent Examination papers** of the previous years. The candidates will be provided tips to clear the written and viva voice examination conducted by the Indian Patent Office.

In recent years there is a rapidly growing demand for trained Patent professionals, agents and IP Attorneys in India and abroad. Across the world various companies, particularly in the knowledge based businesses, such as IT, Biotech, Agro, Pharma, Automobiles, and Consumer products etc. are increasingly pursuing patent protection of their innovations, and are looking at building large patent portfolios. In all, there is a great deal of patenting & IP activity in companies across the world and the need is driven by:

Global upsurge in innovation and increasing demand for Patents

- Growing outsourcing / off shoring opportunity in the field of patents.
- India's growing R & D operations - requiring patent expertise and coverage of innovations internationally

In order to meet this growing demand of patent professionals in India, GIIP is conducting this unique training course and exposing the participants to the life cycle of different types of
